ABOUT THE TOWNSHIP OF ENNISKILLEN

Located in the central part of Lambton County, The Township of Enniskillen has a land area of 338 square kilometres and surrounds the Town of Petrolia and Village of Oil Springs, each its own municipality. With a population of 2,828, more than 15% of the labour force in Enniskillen works in the agriculture sector, which is the largest industry in the municipality.

Characterized by quiet country roads, Enniskillen is known for its abundance of soybean, wheat, and corn cash-crops, as well as the emergence of greenhouse operations that largely contribute to the local economy.

Like its neighbours, Oil Springs and Petrolia, Enniskillen has a long history with the oil and gas industry, which plays an important role in the municipality's economy. Enniskillen is equipped with underground storage capacity for natural gas hydrocarbons as well as oil fields with operating oil wells that are located throughout the municipality. One of these wells is the location of the largest operating oil derrick in Lambton County.

As the heart of Lambton County, Enniskillen provides a central location and ease of access to the other 10 municipalities as well as several major economic hubs located outside of Lambton County.

ABOUT LAMBTON COUNTY

TOP 7
INTELLIGENT
COMMUNITIES
OF THE YEAR

Recognized as a Top 7 Intelligent Community in the World, Lambton County is well known and respected as a key engineering, research, development, and product commercialization centre for the petrochemical and refining industries and is North America's leading centre for bio industrial manufacturing research and development.

Home to 11 unique municipalities and three First Nations, Lambton County is the birthplace of North America's oil industry (1858) and today is Canada's 2nd largest petrochemical cluster. With more than 500,000 acres of cultivated farmland, the area is one of Ontario's agricultural leaders. A diverse manufacturing sector supports these, and other industries and exports specialized products worldwide.

The award-winning Western Sarnia-Lambton Research Park and Lambton College – ranked one of the top 3 research colleges in Canada – helps Lambton County power innovation across a variety of sectors. On top of being an economic driver for both the Province of Ontario and Country of Canada, Lambton County also offers its residents an unparalleled quality of life.

With over 140km of waterfront that features two internationally recognized Blue Flag Beaches on the shores of Lake Huron and the St. Clair River, Lambton County proudly offers countless opportunities for residents to enjoy the outdoors year-round. The region enjoys a warm climate with more than 230 days of the year seeing temperatures above 0° Celsius and is home to 16 art galleries, eight breweries, wineries, and cider houses, six museums, and three theatres, as well as delicious locally sourced food that can be enjoyed at more than a dozen restaurants along the waters of Lake Huron and the St. Clair River. Lambton County is an exceptional place to live and invest.

ABOUT THE SARNIA-LAMBTON ECONOMIC PARTNERSHIP

The Sarnia-Lambton Economic Partnership (SLEP) is the lead economic development agency for the Sarnia-Lambton area. Funded by the County of Lambton, we have a focus on promoting the distinct advantages that Sarnia-Lambton proudly offers companies and residents. By coordinating community-based economic development initiatives and working to maintain a commercially attractive environment, we foster new business creation, help ensure that established firms remain and grow here, and work to attract growing businesses to the Sarnia-Lambton area.

As a public/private partnership, SLEP works to advance economic opportunities across the Sarnia-Lambton area. Through collaboration with local business leaders, educational institutions, and municipal governments, we help elevate the Sarnia-Lambton area through coordinated economic development initiatives.

Recognized by the International Economic Development Council as an Accredited Economic Development Organization, the Sarnia-Lambton Economic Partnership is the 2nd office in Ontario and the 4th in Canada to attain that top distinction.
